**Reclamaciones sobre el error al señalar la respuesta correcta en la línea de anulaciones tanto de la prueba 1 como de la prueba 2**

Reclamantes: DNI 30568536H, 72754452R, 16266808N, 72733425L, 18599871R, 18591049B y 16621348E 72716795H

Se desestiman.

Motivación: Las instrucciones facilitadas en el examen señalaban de forma clara lo siguiente: *"Preste mucha atención al señalar sus respuestas, ya que la marca de bolígrafo no puede ser borrada. Consulte las instrucciones adjuntas a la hoja de respuestas, como puede ver las respuestas deben estar en la línea que tiene el número identificativo de la pregunta, que está sobre fondo oscuro y tiene la letra identificativa de la opción elegida. La línea marcada como "ANULAR" o "EZEZT." solo debe utilizarse para anular una respuesta de la línea superior. Más de una respuesta no anulada en una pregunta será considerada como respuesta errónea. Asimismo, las respuestas que solo figuren en la línea de anular serán consideradas como no válidas. En el transcurso de la prueba, si lo desea puede solicitar una nueva hoja, pero recuerde que deberá completar adecuadamente de nuevo todos sus datos (no olvide poner el modelo de examen) y que no tendrá tiempo suplementario."*

Así mismo, en la hoja rosa adjunta a la propia hoja de respuestas blanca y al autocopiativo amarillo indicaba que para cada pregunta hay dos líneas de respuestas y el modo de cumplimentar las mismas. Además, se incidía bajo el epígrafe "ATENCIÓN" en que únicamente se considerarían válidas las contestaciones cuyas marcas estén realizadas de acuerdo a esas instrucciones.

De la misma forma, en las instrucciones orales se remarcaron estos aspectos.

En el Portal de Empleo Público se publicó con antelación suficiente una nota informativa en cada convocatoria denominada "Instrucciones hoja respuestas" que no respondía sino a esa misma hoja rosa que se entregó el día del examen,

procurando de esta forma que las personas candidatas acudieran a la realización del examen familiarizadas con el modo de cumplimentación de las respuestas.

En consecuencia, habiéndose indicado de forma sobrada el modo correcto de cumplimentar las respuestas y habiendo sido la información transmitida la misma para todos los opositores, no procede estimar la reclamación presentada porque lo contrario supondría un menoscabo para las personas que de forma diligente se atuvieron al contenido de las instrucciones prestando atención a las mismas. Tratándose de un proceso de concurrencia competitiva, este Tribunal no puede admitir que un error de ese tipo suponga igualar en condiciones a candidatos que por el motivo que fuera no se han atendido a las instrucciones facilitadas frente a aquellos otros que atentos a todos los detalles, sí lo hicieron.

### **Reclamaciones sobre la falta de consignación de modelo de examen tanto de la prueba 1 como de la prueba 2**

Reclamantes: DNI 30605852M, 72840110F, 44672918H, 16241100H y 16265536M

Se desestiman.

Motivación: Las instrucciones facilitadas en el examen señalaban de forma clara lo siguiente: "(...) en la casilla **Modelo de Examen deberá rellenar la opción A o B** según lo indicado en el cuadernillo de preguntas. La opción señalada determina la corrección sin que se admitan alegaciones posteriores que soliciten la corrección con un modelo diferente al señalado en la hoja de respuestas. Asimismo una hoja de respuestas sin marcar modelo no será corregida". Esta indicación se repitió de forma oral, a través de megafonía, insistiendo en la importancia de la correcta cumplimentación, dado que condiciona la corrección de la prueba.

En consecuencia, habiéndose indicado de forma suficiente que el modelo de examen era un dato a cumplimentar de forma obligatoria, y habiendo sido la información transmitida la misma para todos los opositores, no procede estimar la reclamación presentada porque lo contrario supondría un menoscabo para las personas que de forma diligente se atuvieron al contenido de las instrucciones prestando atención a las mismas. Tratándose de un proceso de concurrencia competitiva, este Tribunal no puede admitir que un error de ese tipo suponga igualar en condiciones a candidatos que por el motivo que fuera no se han atendido a las instrucciones facilitadas frente a aquellos otros que prestando atención a todos los detalles sí lo hicieron.
